

# Trimmers & Blowers

For those places where your lawn mower just can't reach too. The Husqvarna detachable trimmers are perfect tool for all the jobs.

With Husqvarna's new flexible brush cutters in the FR series, the need for the extra trip to the tool shed is gone. The 336FR and 345FR are feature-packed brush cutters that can be equipped with a trimmer head, grass or saw blade and transform from brush-cutting to grass-cutting in no time at all.

## Trimmers

Different types of jobs require different types of gear. That's why Husqvarna offers a variety of straight and curved-shaft trimmers designed with superior ergonomics and comfort. Solidly constructed from durable materials, you get many years of tough operation. The high-power engines, ergonomic design and vibration-dampening handles ensure that you can work efficiently in all conditions.

- ✓ Line feeding made easy
- ✓ Powerful high-torque bevel gear
- ✓ Stand-alone starter
- ✓ Efficient air filters
- ✓ Fuel pump for easy starting
- ✓ Tap n' go trimmer head

Husqvarna detachable trimmers offer the ultimate 5-n-1 versatility in your garden.

1. Trim
2. Edge
3. Cultivate
4. Hedge Trim
5. Sweep

## Hedge Trimmers

For the toughest and most demanding jobs Husqvarna hedge trimmers give you professional results. The X-torq engines deliver maximum power while reducing fuel consumption, compact lightweight design ensure easy maneuverability and sharp teeth enhance productivity. Some models feature adjustable rear handles and extender bars for cutting the sides and top of hedges.

For those moment when you need to reach difficult places without losing performance, a pole hedge trimmer with adjustable cutter bar is a good choice. These hedge trimmers deliver professional performance as well as superb ergonomics. They are flexible, easy to start and suit both tall and low hedges, and because of the ability to fold back the cutter bar they're also easy to store and transport.

- ✓ Powerful, low-noise engines with X-torq technology
- ✓ Robust design increases service life
- ✓ Compact, lightweight design
- ✓ Sharp cutting teeth for maximum productivity
- ✓ Smart start for faster starting

## Blowers

Let a powerful blower from Husqvarna clean your property. Get rid of leaves, straw, grass, dust, cobwebs, sand, gravel and other debris – as well as the hard work. Husqvarna blowers are ergonomic, efficient and easy to use. Depending on the size of your job and your demands, we'll make sure you choose a blower that fits you perfectly.

- ✓ Powerful engines with x-torq
- ✓ Large, commercial grade air filters
- ✓ High speed fans deliver high air flow
- ✓ Ergonomic design for comfort and maneuverability
- ✓ Vacuum Capacity (select models)

The Ultra Quiet 356BT Blower is ideal for noise sensitive areas such as parks, schools and hospitals
